RURAL WELFARE DEPARTMENT

G.O. Ms. No.1061 Dated 19th August 1953

READ:-

1. G.O. Ms.No.1217 Rural Welfare dated 8-11-1952.
2. From the Collector of Nellore, B.12.3308-53 dated 24-2-1953.
3. From the Director of Agriculture, L.Dis.L.4.518/53 dated 24-2-1953.
4. G.O.Ms.No.737 Rural Welfare dated 2-6-1953.

ORDER:

In the G.O. first cited, the Government allowed a concession of 20% on the standard rates in the sale of agricultural materials and departmental services specified therein for deserving and poor ryots residing in the firkas selected for Rural Welfare work. In the G.O. fourth cited, the scheme sanctioned in the G.O. first cited was renewed for operation during the current financial year.

2. The Collector of Nellore in his letter cited, reported that the poor ryots were not coming forward to take the services of tractors and bull-dozers, as they possessed only small extents of lands and were unable to bear the charges. He also stated that there was no demand for seeds and pesticides during non-agricultural season. He, therefore, suggested that subsidy might also be paid on implements like crow-bars, mummuties, sickles, plough shares, country plough blades for guntaks etc. which did not find a place in the G.O. and that the poor ryots might be directed to purchase the above articles either from cooperative stores or from local merchants and send the bills to the District Agricultural Officer, through the Rural Welfare Officer, for granting subsidy on the bills in cash. The Director of Agriculture has recommended the proposal subject to the condition that the persons to be benefitted are approved by the District Rural Welfare Committee. It has also been suggested that the concessions be extended to all kinds of manures including bone-meals and compost manures. The Government accept these suggestions and direct that the concession sanctioned in the G.Os. cited be extended to crow-bars, mummuties, sickles, plough-shares for country plough and blades for guntaks and also for all types of manures including bone-meal and compost, and the poor ryots may be directed to purchase the articles either from cooperative stores or from local merchants and claim the subsidy through the proper channel provided the ryots to be benefitted are approved by the District Rural Welfare Committee.
